Oregon Republican Party C00153031

This memo is regarding the August '04 Amendment filed 6-06-05.

The difference in the orginial ending cash on hand and the amended amount is due to the software problems that have now been corrected. This is reflected in this amendment.

All money raised from Direct Mail Systems & FL&S during this reporting period were used for party building activity. None of these funds were used for the defeat, and or election of a federal candidate.
